EXPERIENCE

- **Frontend Developer | CreativityIT** *(Dec 2019 - Nov 2021)*
  - Designed and Developed over 20+ Ionic v5 Cordova Hybrid Mobile Applications using Angular, Typescript, Node.js, HTML5, SCSS.
  - Used Material UI, React Native Paper,Redux Saga, Mobx State Management, RxJS, Media Query, Flashlist, React Native Action Sheet, KeyboardAvoidingView, React Native Camera, and many more plugins while building custom applications in React Native.
  - My work process includes
    - Determining the structure and design of web pages.
    - Developing features to enhance the user experience.
    - Striking a balance between functional and aesthetic design.
    - Building reusable code for future use.
    - Optimizing web pages for maximum speed and scalability.
    - Maintaining brand consistency throughout the design.
    - Coordinating with other team members to ensure timely completion of projects.

- **UI/UX Designer | CreativityIT** *(Nov 2019 - Nov 2021)*
  - Designed and implemented user flows, wireframes, and prototypes to improve user experience and satisfaction.
  - Conducting user research and interviews to understand user needs and create personas.
  - Translating requirements into style guides, design systems, design patterns and attractive user interfaces.
  - Collaborating effectively with product, engineering, and management teams to deliver a great user experience.
  - Keeping up to date with the latest design trends and industry best practices.

- **Print Designer** *(Dec 2018 - Nov 2019)*
  - Researching concepts, designs, reference material, and similar work.
  - Rendering and presenting design mockups for revision and feedback.
  - Implementing feedback revision and creating final designs for printing.
  - Reviewing and proofreading designs to ensure print-ready copy, layout, and dimensions.
  - Overseeing the printing process to ensure colour quality and consistency.
  - Managing the timelines and workflow of print design projects.
  - Communicating updates, feedback, and issues with the clients and managers.
  - Maintaining the brand's consistency across all designs and printed materials.
  - Keeping up to date with the latest design trends, techniques, and printing standards.

EDUCATION

- **Diploma in Computer Science** *(Aug 2013 - Aug 2016)*

  Pacific University
